**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Dear Sir:

In response to the Notice of Non-Compliant Amendment (hereinafter "Notice") dated August 12, 2009, and in view of the September 14, 2009 telephone interview, Applicants respectfully request withdrawal of the Notice. As discussed during the interview, in a Preliminary Amendment dated January 29, 2009, Applicants submitted both a marked-up copy of the claim amendments and a clean copy of the claims as amended. Inadvertently, the Examiner failed to consider the marked-up copy of the claim amendments before issuing the Notice. Because the marked-up copy of the claim amendments clearly indicates the amendments to the claims as well as identifies the status of each claim, the January 29 Preliminary Amendment complies with formal requirements. Consequently, Applicants respectfully request withdrawal of the Notice.

**CONCLUSION**

If any extra fees are due as a result of this response, please charge Deposit Account No. 19-0513. The Examiner is invited to telephone the undersigned if this would in any way advance the prosecution of this case.

Respectfully submitted,

Date: September 14, 2009
